

Vacationing and Feeding Red Pandas at Bogor Safari Park

As a place for recreation and animal conservation, Bogor Safari Park is one of the most frequently visited holiday destinations. Here, you can experience the exciting experience of getting closer and even seeing interacting with lying animals from various worlds.

The following is information regarding operating hours, location and ticket prices. Information is also available about the facilities and rides on offer.

Location, Tickets and Facilities at Bogor Safari Park

1. Location

The location of this Safari Park is in Cisarua, Bogor. You can easily visit this place because it is not so far away. Apart from that, there is a large sign marking the safari park area so it is easy to find.

2. Ticket price

Entry ticket prices for this Safari Park vary greatly. To be able to enjoy daytime safari tours you have to pay IDR 230,000.00 for adults on weekdays. Meanwhile, on weekends the price is IDR 255,000.00.

Meanwhile, night safari tourism is only open on holiday nights and Saturday nights. The entrance ticket price is IDR 180,000.00 for adults. These different prices also apply to local tourists and foreign tourists.

3. Operating hours

Operational hours for day safari tours are open from 9 am to 17.30 on weekdays. Meanwhile, on weekends it is open from 08.30 to 17.30. However, you can also enjoy night safari tours from 19.00 to 23.00.

4. Facilities

Safari Park provides various kinds of facilities. Starting from exploring wild animals, zoos, outbound places, places to eat, places for souvenirs, and so on. There are also certain attractions and performances that visitors can enjoy.

One of the most famous facilities is the Komodo Island Safari Park. Here, you can see real Komodo dragons in person. With this spot, you don't need to go all the way to Komodo Island to see the Komodo dragons directly.

5. Attractiveness

There are many things that attract this place. Starting from day safaris and night safaris to see wildlife. Then there is a baby zoo spot for taking photos with animals directly and outbound as well as a safari trek.

There is also a penguin house, aviary, primate center and reptile tunnel. However, one of the most interesting is the Taman Safari Panda Palace. Here tourists can see two Giant Pandas from China. There is also a location to feed red pandas directly

6. Accommodation

Not only tourism, there is also accommodation in the Safari Park area. You can visit resorts and hotels located in the forest area here. For those of you who come from out of town, staying at this resort or hotel is the right solution.

You can experience these experiences only at Bogor Safari Park. The location is easy to reach and is not far from the main road. For those of you who are looking for a tourist destination that doesn't have to leave the island, this place is the right solution to visit.
